

# KNOW YOUR AUSTRALIAN COINS

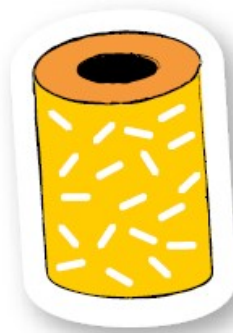

Suitable for children 2 to 6 years old

## What to do

1. Ask a grown up to lend you a range of coins. Show them this chart and ask for at least one coin of each value
2. Place the right coin on each lolly to buy it
3. Something harder? Use different combinations of coins to make up the lolly price

**\$1**

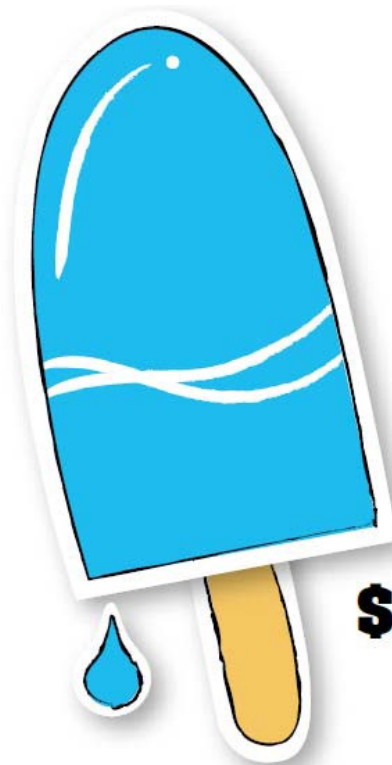

**5c**

**20c**

**10c**

**\$2**

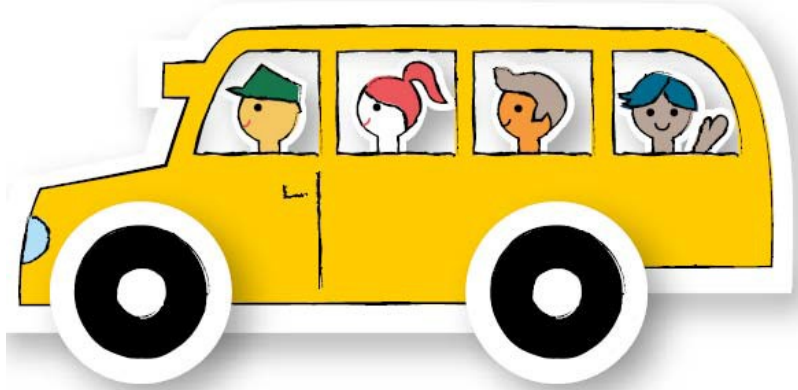

**50c**

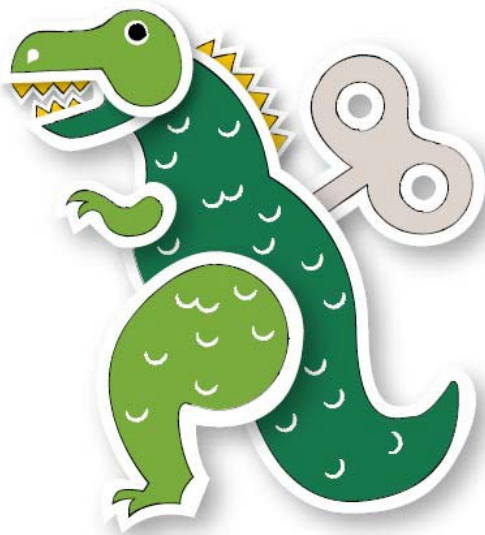

# KNOW YOUR AUSTRALIAN COINS

## What to do

1. Ask a grown up to lend you a range of coins. Show them this chart and ask them to make sure they can make each amount with the coins.
2. Look at the process of each item and choose a combination of coins to pay for them.
3. Want to make it harder? Try and do it without \$1 or \$2 coins

**\$5.60**

**\$3.00**

**\$2.45**

**\$0.80**

**\$1.25**

**\$4.75**
